Essential in BIM for Architects (40 Hours)

S.No.	Session	Topics Covered	Type	Duration (hrs)
1	SESSION-1	Introduction What is BIM? History of BIM Elements of BIM Benefits of BIM Parts of BIM	Demo/Theory	2 hrs
2	Session-2	BIM Maturity Level Right Stucture of BIM	Demo/Theory	2 hrs
3	SESSION-3	Stages of BIM **Delivery Methods:**Design Bid-Build, Constructions Manager At Risk,Design/Build, Integrated Design Delivery	Demo/Theory	2hrs
4	SESSION-4	Stages of BIM **BIM Workflow:** Project Information Model, Assest Information Model, Common Data Environment, Level of Development, BIM Process	Demo/Theory	2hrs
5	SESSION-5	BIM Execution Plan **Introduction:** BIM Project Execution Planning Procedure, Information in Project Execution Plan	Demo/Theory	2hrs
6	SESSION-6	Exercises Included for Practice	Practical	2hrs
7	SESSION-7	**Identifying BIM Goals & Uses:** Defining Goals, BIM Uses, BIM Use Selection Procedure	Demo/Theory	2hrs
8	SESSION-8	Exercises Included for Practice	Practical	2hrs
9	SESSION-9	**BIM Project Execution Process:** Mapping the Project Execution Process, BIM Overview Map, Creating Detailed Use map,	Demo/Theory	2hrs
10	SESSION-10	Exercises Included for Practice	Practical	2hrs
11	SESSION-11	**Developing Information Exchanges:** Pulling Information, Information Exchange Worksheet Implementing BIM Execution Planning Procedure	Demo/Theory	2hrs
12	SESION-12	EXercises Included for Practice	Practical	2hrs
13	SESSION-13	BIM Project Execution Planning for Organizations	Demo/Theory	2 hrs
14	SESSION-14	Exercises Included for Practice	Practical	2hrs
15	SESSION-15	**BIM for Architects:** Outline of Traditional Architectural Services, SCOPE OF DESIGN SERVICES BIM in Concept Designing	Demo/Theory	2hrs
16	SESSION-16	Exercises Included for Practice	Practical	2hrs
17	SESSION-17	**Conceptual Modeling in Revit Architecture:** GUI, Drawing Aids, Levels & Grids, Conceptual Modeling & Analyzing the conceptual Models **Wall:** creation, modification, sweeps & reveals, openings Modify – copy, move, trim, rotate	Demo/Theory	2hrs
18	SESSION-18	Exercises Included for Practice	Practical	2hrs
19	SESSION-19	Floor, Ceiling, Windows & Doors, Roof Site design View creation, creating annotations, sheet setting	Demo/Theory	2hrs
20	SESSION-20	Exercises Included for Practice	Practical	2hrs
